#### 4. Bandinfo (in German/English , please ask for other Languages)

Es erfordert nicht immer viel Aufwand, viel Ausrüstung oder Aufnahmekonzepte, um Musik mit Ausdruckskraft und Stärke zu schaffen. Musik mit viel EIER, ohne Schnickschnack und Kompromisse.

Das ist UBERBALLS. Drei Jungs, drei Instrumente, minimales Material und damit Musik mit Kraft, Ausdruck und Eingängigkeit. Lou Stick (Schlagzeug), iivel (Gitarre und BG Vocals) und Austin (Gitarre und Leadvocal). Ja, das stimmt, wir haben keinen Bassisten - aber trotzdem oder einfach nur deshalb machen wir einen satten Sound mit.. a lot of balls!

Die Band wurde 2012 gegründet. Nach der ersten Veröffentlichung des Doppelalbums "Warning contains Nuts" im Jahr 2014 beschloss der damalige Bassist, die Band zu verlassen. Von Anfang an war klar, ohne Bassisten weiterzumachen. Warum? Es ist einfacher und UBERBALLS haben genug...!

Im Jahr 2017 trat Lou Stick (ein schneller Schlagzeuger mit unverwechselbarem Sound und Spieltechnik) der Band als neuer Schlagzeuger bei. Seit dem sind bereits mehrere Singles und EP's veröffentlicht worden.

Wie klingt UBERBALLS? Das liegt im Ohr des Hörers :) Metal, Punk, Rock - oder Comedy? Eigentlich Egal ODER!

Auf der Bühne spielen wir nicht nur einfach Musik! Deshalb verdienen wir gelegentlich das eine oder andere Lachen. UBERBALLS sind unerwartet, unterhaltsam und machen ziemlich Spass.

English:

It doesn't always take a lot of effort, a lot of equipment or recording concepts to create music with expressiveness and strength. Music with a lot of balls, without frills and compromises.

That is UBERBALLS. Three guys, three instruments, minimal material and thus music with power, expression and catchiness. Lou Stick (drums), iivel (guitar and BG vocals) and Austin (guitar and lead vocals). Yes, that's right, we don't have a bass player - but despite that, or just because of it, we make a rich sound with... a lot of balls!

The band was founded in 2012. After the first release of the double album "Warning contains Nuts" in 2014, the bass player at the time decided to leave the band. From the beginning it was clear to continue without a bass player. Why? It's easier and UBERBALLS have had enough...!

In 2017, Lou Stick (a fast drummer with a distinctive sound and playing technique) joined the band as a new drummer. Since then many new EPs or Singles has been released.

What does UBERBALLS sound like? That is in the ear of the listener :) Metal, punk, rock - or comedy? Actually it doesn't matter!

On stage we don't just play music! That's why we occasionally deserve a laugh or two.

UBERBALLS are unexpected, entertaining and pretty fun.

# UBERBALLS

## Event-Service-Info

### 5. Playlist

We provide you with the latest Version of the Playlist (SUISA/GEMA Liste) on the day of the Concert to make sure the right version will be used.

Our Standard Set takes the time of around 1h 30min. It can easily be adapted if needed.

### 6. Catering

If a catering is available we appreciate that. We do not have any allergies or intolerances. Two of us consume meat. One of us is vegetarian. If its not sure what to offer, we prefer all vegetarian for all of us.

### 7. Financials

We prefer to walk through the audience with our hats on. Alternatively, we accept a collection at the entrance if the former is not possible or desired. If a fixed fee can be negotiated, please make an arrangement.

We do care

### 8. Logistics

We bring all our instruments, amps, pedal boards, guitar stands and small accessories and insist on using them at the gig.

The organizer provides the following: sufficient power supply (230V, 50Hz, T13), at least 3 monitors on stage, all necessary microphones, (see Tech-Rider) a sound system adequate for the location, including a mixing console operated by an audio technician.

### 9. Appendix

If you need any further info do not hesitate to contact us:

m.UTZMusic, Michael Utz, Dachslernstrasse 74, 8048 Zurich [mail@utzs.ch](mailto:mail@utzs.ch) +41 79 450 00 00

Legal info:

We take care of the settlement with pension funds ourselves. (AHV in Switzerland)
